

Cecil Green Park House Wedding Rehearsal

A Wedding Rehearsal is a very exciting night! We ask that you invite the guests intricate for your wedding ceremony including your officiant. Keep in mind the timeframe. Your rehearsal is for one hour. Please respect the couples before and after you. Please arrive on time and ready! Also please vacate by the hour mark. If you feel 1 hour will not cover your needed time please request additional. Not all requests can be granted.

The house coordinator does not attend rehearsals which are scheduled after hours. If you have questions please feel free to email or call.

Below are guidelines for walking instructions. These are suggestions! Feel free to do what is comfortable for you.

Ceremony Facing the House

Wedding party walks through the house to the Solarium.

Exit the Solarium to the terrace and you will find a door to the garden.

Walk out the door and head straight down the stairs to the garden.

Walk along the hedges – No guests will see you until you clear all of the trees.

Walk along the hedges towards the ceremony and turn right to walk down the aisle.

Ceremony Facing the Garden

Wedding party walks out of the back of the house, down the stairs.

Once you are on the grass head east towards the garden.

Ceremony Facing The Pond

Wedding party walks out of the back of the house, down to the main terrace.

From the terrace head east (right) to walk down the stairs.

There will be a row of flowers in the way, turn right and walk along the path until you clear the flowers.

Walk straight towards the garden and you will find a small stairs case.

Head down the stairs cases and up the aisle.

Rain Plan Option 1 – The Terrace

On the terrace we are able to accommodate 120 guests seated on the main terrace level & 20 guests seated on the upper level – with an aisle in the middle. If your guest count is over 140 guests the balance will need to stand to the back of the upper level under the covered area.

- Walk out of the bridal room and down the hall of the washroom.
- Enter the last door on your left to go through the kitchen.
- Head straight through that door in front of you and continue.
- Once you are on the terrace turn left and head down the aisle.
- Bride and groom stand on the west side of the terrace.

Rain Plan Option 2 – Yorkeen Room

Inside the Yorkeen Room we are able to accommodate 100 guests seated & 50 guests seated in the Langara room – With an aisle in the middle. If your guest count is over 150 guests, the balance will need to stand.

- Walk out of the bridal room and into the Langara room.
- Head towards the Yorkeen room and stand in front of the fireplace.

Rain Plan Option 3 – Kanakla Room (Option A for Winter Weddings)

Inside the Kanakla Room we are able to accommodate 90 guests seated with an aisle in the middle.

- Walk out of the bridal room and into the Langara room.
- Turn right into the Kanakla Room.
- Walk in the middle and down the aisle towards the window.
