

Cecil Green Park House Wedding Rehearsal

A Wedding Rehearsal is a very exciting night! We ask you only invite the guests intricate for your wedding ceremony including your officiant. Keep in mind the timeframe. Your rehearsal is 1 hour. Please respect the couples before and after you. Please arrive on time and ready! Also please vacate by the hour mark. If you feel 1 hour will not cover your needed time please request additional. Not all requests can be granted

The house coordinator does not attend rehearsals which are scheduled after hours. If you have questions please feel free to email or call the next day or before the rehearsal

Below are detailed walking instructions and photos for you and your wedding party. These are suggestions! Feel free to do what is comfortable for you – within Cecil Green property limits

Ceremony Facing the House

Wedding Party walks through the house to the Solarium (Room inside the butter yellow room)

Exit the Solarium to the terrace and you will quickly find a door to the garden.

Walk out that door and head straight down the stairs to the garden

Walk along the hedges – No guests will see you until you clear all of the trees

Walk along the hedges towards the ceremony and turn right to walk down the aisle

Ceremony Facing the Garden

Bridal Party walks out of the house, down the stairs

Once you are on the grass head east towards the garden

Ceremony Facing North

Bridal Party walks out of the house, down the stairs

Once you are on the grass head straight towards the garden

Ceremony Facing The Pond

Bridal Party walks out of the house, down to the main Terrace

Once you are on the middle Terrace head east (right) there is a set of stairs to walk down

There will be a row of flowers in the way, turn right and walk along the path until you clear the flowers

Walk straight towards the garden and you will find a small stairs case

Head down the stairs cases and up the aisle

Rain Plan Option 1 – The Terrace

On the Terrace we are able to accommodate 120 guests seated on the main terrace level & 20 guests seated on the upper level – With an aisle in the middle. If your guest count is over 140 guests the balance will need to stand further to the back of the upper level under the covered area

- Walk out of the bride's room and down the hall where the washroom is
- Enter the last door on your left – You will be in the kitchen
- You will see a door right in front of you – Head straight through that door and continue
- Once you are on the terrace turn left and head down the aisle
- Bride and groom stand on the far west side of the terrace

Rain Plan Option 2 – Yorkeen Room

(Note, For ceremony only OR for guests who will still have their seated lunch or dinner on the Terrace. All seated service must be set-up before guest arrival)

Inside the Yorkeen Room we are able to accommodate 100 guests seated & 50 guests seated in the Langara room – With an aisle in the middle. If your guest count is over 150 guests the balance will need to stand

- Walk out of the bride's room and into the Langara room
- Head towards the Yorkeen room and stand in front of the fireplace

Rain Plan Option 3 – Kanakla Room (Option “A” for Winter Weddings)

Inside the Kanakla Room we are able to accommodate 90 guests seated with an aisle in the middle

- Walk out of the bride's room and into the Langara room
- Turn right into the Kanakla Room
- Walk in the middle and down the aisle towards the window
